By court order of 18 February 2013, Ms. Erika Schulte was appointed as a new member of the supervisory board. The court appointment terminates upon the end of the general meeting on 22 May 2013, though.

Therefore, the supervisory board, based on a recommendation by its Executive and Nomination Committee, proposes to appoint Ms. Erika Schulte, Hanau, managing director of Hanau Wirtschaftsförderung GmbH, of Brüder-Grimm-Berufskademie Hanau GmbH and of Technologie- und Gründerzentrum Hanau GmbH, as a member of the supervisory board with effect of the end of this general meeting for an office period terminating upon the end of the general meeting that decides on the discharge of the supervisory board for the fiscal year 2015.

Ms. Schulte does neither hold any memberships in other supervisory boards whose establishment is required by law, nor any memberships in domestic or foreign supervising corporate bodies of business enterprises that are comparable to a supervisory board.

With regard to the recommendation of section 5.4.1, subsections 4 to 6, of the German Corporate Governance Code, it is declared that Ms. Schulte, in the appraisal of the supervisory board, does not have personal or business relations with NORMA Group AG or its group companies, the corporate bodies of NORMA Group AG or a shareholder holding a material interest in NORMA Group AG, that would be subject to disclosure requirements pursuant to this recommendation.

Pursuant to section 10(1) of the Company's Articles of Association and sections 95, 96(1) of the German Stock Corporation Act (*Aktiengesetz*), the supervisory board consists of six members that are appointed by the general shareholders' meeting, which is not bound by nominations.

The management board and the supervisory board propose to resolve on the conversion of NORMA Group AG into the legal form of a European Company (Societas Europaea – SE) as follows, whereby, pursuant to section 124(3) sentence 1 of the German Stock Corporation Act (*Aktiengesetz*), only the supervisory board – based on a recommendation by its Audit Committee – proposes the appointment of the auditor for the first fiscal year of the SE (section 13 of the Terms of Conversion proposed for adoption) as well as – based on a recommendation by its Executive and Nomination Committee – the appointment of the members of the first supervisory board of the SE (section 9.3 of the Terms of Conversion proposed for adoption and section 11(3) of the SE's Articles of Association, enclosed as Annex 1 to the Terms of Conversion proposed for adoption):

The Terms of Conversion dated 4 April 2013 (Roll of Deeds No. 175/2013 of the notary Dr Hans Ulrich Kleim with registered office in Hanau) on the conversion of NORMA Group AG into a European Company (Societas Europaea – SE) are approved. The Articles of Association of NORMA Group SE enclosed to the aforementioned Terms of Conversion as Annex 1 are approved.

The aforementioned Terms of Conversion and the Articles of Association enclosed thereto as Annex 1 read as follows:

TERMS OF CONVERSION

pursuant to Art. 37(4) of Council Regulation (EC) No 2157/2001 on the Statute for a European Company (SE), Official Journal L 294 dated 10 November 2001, p. 1 (“**SE Regulation**”)

concerning the conversion of

NORMA Group AG,

Edisonstraße 4

63477 Maintal

registered with the commercial register of the Local Court (*Amtsgericht*) of Hanau under HRB 93582

– hereinafter referred to as “**NORMA Group AG**” –

into the

legal form of a European Company (SE)

– hereinafter “**NORMA Group SE**” –

(NORMA Group AG and NORMA Group SE each hereinafter also referred to as the “**Company**”)

Recitals

- (A) NORMA Group AG is a listed stock corporation under German law, with its registered office in Maintal, Germany. It is the ultimate holding company of the NORMA group (hereinafter referred to as “**NORMA Group**”), a global provider of engineered joining technology.
- (B) NORMA Group AG became a stock corporation under German law by the change of the legal form of NORMA Group GmbH, Maintal, as registered with the commercial register of the Local Court of Hanau on 14 March 2011, in which the identity of the Company was maintained.
- (C) The Company holds indirect interests, each of which has been held for at least two years, amongst others, in the following companies which are each subject to the jurisdiction of another Member State of the European Union:
 - DNL France S.A.S., with its registered office in Briey, France, registered with the commercial register of Briey under no. 489172122 (2006B135);
 - DNL UK Ltd., with its registered office in Newbury, UK, registered with the commercial register of Newbury under no. 05671205;
 - DNL Sweden AB, with its registered office in Stockholm, Sweden, registered with the commercial register of Stockholm under no. 556710-7023.

The direct interests in the above companies are each held by Norma Beteiligungs GmbH, with its registered office in Maintal, registered with the commercial register of the Local Court of Hanau under HRB 92791. The sole shareholder of Norma Beteiligungs GmbH is NORMA Group Holding GmbH, with its registered office in Maintal, registered with the commercial register of the Local Court of Hanau under HRB 91813. The sole shareholder of NORMA Group Holding GmbH is NORMA Group AG.

- (D) NORMA Group AG is envisaged to be converted into the legal form of a European Company (Societas Europaea – SE) by way of conversion pursuant to Art. 2(4) in conjunction with Art. 37 of the SE Regulation.

In the last years, NORMA Group has expanded internationally and built up a company that is fit for the future. In the opinion of the management board, the SE is the appropriate legal form for a modern global company whose home market is in Europe. The conversion into an SE is thus a manifestation of NORMA Group's vision of a company doing business in a united Europe and emphasises the international outlook of NORMA Group.

Now, therefore, the management board of NORMA Group AG draws up the following Terms of Conversion pursuant to Art. 37(4) of the SE Regulation:

1 Conversion of NORMA Group AG into NORMA Group SE

- 1.1** NORMA Group AG shall be converted into a European Company (Societas Europaea – SE) pursuant to Art. 2(4) in conjunction with Art. 37 of the SE Regulation. For more than two years, NORMA Group AG has held indirect subsidiaries which are each subject to the jurisdiction of another Member State of the European Union or the Agreement on the European Economic Area, in particular the subsidiaries referred to in Recital (C) above. The requirements for a conversion of NORMA Group AG into an SE are satisfied.

- 1.2** The conversion of NORMA Group AG into the form of an SE shall not result in the winding-up of the Company or the creation of a new legal person. Owing to the unchanged identity of the Company, the interests of the shareholders in the Company will continue to exist unchanged after the conversion has become effective.

2 Effective date of the conversion

The conversion shall become effective upon being registered with the commercial register of the Company.

3 Legal form, name and registered office of NORMA Group AG and NORMA Group SE

- 3.1** NORMA Group AG is a stock corporation under German law, with its registered office in Maintal, Germany, registered with the commercial register of the Local Court of Hanau under HRB 93582. The legal name of NORMA Group AG is "NORMA Group AG".

- 3.2** Following the conversion, NORMA Group AG shall have the legal form of a European Company (Societas Europaea – SE).

- 3.3** The legal name of NORMA Group SE shall be "NORMA Group SE".

- 3.4** NORMA Group SE's registered office and head office shall be in Maintal, Germany.

4 Ownership structure, shares and share capital of NORMA Group SE

- 4.1** Upon the conversion becoming effective by being registered with the commercial register of NORMA Group AG, the shareholders of NORMA Group AG shall become shareholders of NORMA Group SE. They shall have the same shares in the share capital of NORMA Group SE – in terms of amount and in the same class and number of shares – as they have in the share capital of NORMA Group AG immediately before the conversion becomes effective. The notional proportionate amount in the share capital represented by each no par value share shall remain unchanged as it is immediately before the conversion becomes effective. All shares in NORMA Group SE shall be no par value registered shares.
- 4.2** The entire share capital of NORMA Group AG – in the amount and division into shares it has at the point in time the conversion is registered with the commercial register and with the proportionate amount in the share capital represented by each no par value share – shall become the share capital of NORMA Group SE. The share capital of NORMA Group AG amounts to €31,862,400.00 (as at 4 April 2013) and is divided into 31,862,400 no par value registered shares each representing a proportionate amount in the share capital of €1.00.
- 4.3** The shares of NORMA Group AG are represented by global securities. These global securities shall be replaced by global securities made out in the name of NORMA Group SE.

5 NORMA Group SE's Articles of Association and types of capital

- 5.1** NORMA Group SE shall be given the Articles of Association attached hereto as **Annex 1**, which are an integral part of these Terms of Conversion.
- 5.2** Upon the conversion becoming effective, all types of capital of NORMA Group AG shall be the capital of NORMA Group SE with the specifications and in the amounts existing at that point in time.
- 5.2.1** Upon the conversion becoming effective, the share capital of NORMA Group AG – in the amount and with the division into shares existing at the point in time the conversion becomes effective – shall be the share capital of NORMA Group SE in the same amount and with the same division into shares.

The share capital of NORMA Group AG is stated in section 4(1) of NORMA Group AG's Articles of Association and amounts currently (as at 4 April 2013) to €31,862,400.00. Pursuant to section 4(2) of NORMA Group AG's Articles of Association, the share capital is currently (as at 4 April 2013) divided into 31,862,400 no par value registered shares.

Accordingly, the share capital of NORMA Group SE is stated in section 4(1) of NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**) to amount to €31,862,400.00, and it is divided into 31,862,400 no par value registered shares pursuant to section 4(2) of NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**).

To the extent that the actual amount of NORMA Group AG's share capital at the point in time the conversion becomes effective does not match the amount or number of shares stated in NORMA Group AG's Articles of Association and in NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**) (for example as a consequence of increases or reductions in the share capital carried out in the

meantime), the share capital shall continue to exist in NORMA Group SE upon the conversion becoming effective in the same amount and with the same division into shares existing in NORMA Group AG at the point in time the conversion becomes effective.

In the event that the share capital amount of NORMA Group AG changes after these Terms of Conversion has been drawn up and before the conversion is registered with the commercial register and, thus, does not match the share capital amount stated in NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**), the supervisory board of NORMA Group SE shall be authorised to correct the share capital amount stated in NORMA Group SE's Articles of Association to account for such change before the conversion is registered with the commercial register.

- 5.2.2** Upon the conversion becoming effective, any authorised capital of NORMA Group AG in the amount and with the specifications existing at the point in time the conversion becomes effective shall be authorised capital of NORMA Group SE in the same amount and with the same specifications.

NORMA Group AG has currently (as at: 4 April 2013) authorised capital as stated in section 5 of NORMA Group AG's Articles of Association (Authorised Capital 2011/II).

Accordingly, the same authorised capital (also referred to as Authorised Capital 2011/II) is stated in section 5 of NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**). In particular the amount, number of shares and other specifications of the Authorised Capital 2011/II pursuant to section 5 of NORMA Group SE's Articles of Association match those set out in section 5 of NORMA Group AG's Articles of Association. To the extent that the actual amount or other specifications of the Authorised Capital 2011/II of NORMA Group AG change before the conversion into NORMA Group SE becomes effective, the Authorised Capital 2011/II shall continue to exist in NORMA Group SE upon the conversion becoming effective in the same amount and with the same specifications existing in NORMA Group AG at the point in time the conversion becomes effective.

- 5.2.3** Upon the conversion becoming effective, any conditional capital of NORMA Group AG in the amount and with the specifications existing at the point in time the conversion becomes effective shall be conditional capital of NORMA Group SE in the same amount and with the same specifications.

NORMA Group AG has currently (as at: 4 April 2013) conditional capital as stated in section 6 of NORMA Group AG's Articles of Association (Conditional Capital 2011).

Accordingly, the same conditional capital (also referred to as Conditional Capital 2011) is stated in section 6 of NORMA Group SE's Articles of Association (as attached hereto as **Annex 1**). In particular the amount, number of shares and other specifications of the Conditional Capital 2011 pursuant to section 6 of NORMA Group SE's Articles of Association match those set out in section 6 of NORMA Group AG's Articles of Association. To the extent that the actual amount or other specifications of the Conditional Capital 2011 of NORMA Group AG change before the conversion into NORMA Group SE becomes effective, the Conditional Capital 2011 shall continue to exist in NORMA Group SE upon the conversion becoming

effective in the same amount and with the same specifications existing in NORMA Group AG at the point in time the conversion becomes effective.

6 No cash buyout offer

Shareholders who object to the conversion shall not be made an offer to purchase their shares against payment of cash compensation, as such a cash buyout offer is not stipulated by law in connection with the conversion of a stock corporation into an SE.

7 Special right holders and holders of other securities

NORMA Group AG has not granted any special rights and has not issued any other securities than ordinary shares. Thus, no action is contemplated to be taken in relation to special right holders and holders of other securities than shares in connection with the conversion.

8 Management board

8.1 The terms of office of all members of NORMA Group AG's management board shall end upon the conversion becoming effective, i.e. upon the conversion being registered with the commercial register of the Company.

8.2 Without prejudice to the decision-making competence of the future supervisory board of NORMA Group SE under Art. 39(2) of the SE Regulation, it should be noted that the current members of NORMA Group AG's management board are expected to be appointed as members of the first management board of NORMA Group SE. Without prejudice to the decision-making competence of NORMA Group SE's supervisory board, it should be noted that the current chairman of NORMA Group AG's supervisory board, Dr Stefan Wolf, is expected to be elected as chairman of NORMA Group SE's supervisory board.

10 Special benefits

10.1 The judicially appointed expert who reviewed and certified pursuant to Art. 37(6) of the SE Regulation that the Company has net assets at least equivalent to its capital plus those reserves which must not be distributed under the law or the Articles of Association shall not be granted any special benefits in connection with the conversion.

10.2 The members of NORMA Group AG's management board and supervisory board shall not be granted any special benefits in connection with the conversion.

By way of precaution and without prejudice to the decision-making competence of NORMA Group SE's supervisory board, however, it should be noted that the members of NORMA Group AG's management board are expected to be appointed as members of NORMA Group SE's management board (see no. 8 above).

Furthermore, it should be noted that the current members of NORMA Group AG's supervisory board shall be appointed as members of NORMA Group SE's supervisory board by NORMA Group SE's Articles of Association and the current chairman of NORMA Group AG's supervisory board is expected to be elected as chairman of NORMA Group SE's supervisory board (see no. 9 above).

11 Information regarding the procedure for establishing rules on employee involvement in NORMA Group SE

11.1 Basis for the rules on employee involvement in NORMA Group SE

- 11.1.1 The rules on employee involvement in NORMA Group SE shall be established based on the procedure provided for this purpose in the German SE Employee Involvement Act (*SE-Beteiligungsgesetz – SEBG*). The German SE Employee Involvement Act provides for negotiations to be conducted between the management of the company involved in the formation of the SE – here: the management board of NORMA Group AG – and the employees, who are represented in these negotiations by a special negotiating body (“**SNB**”) determined by the employees or their representatives (for the negotiation procedure, see no. 11.4 below). The SNB consists of representatives of the employees of the company directly involved in the conversion, as well as representatives of the employees of its subsidiaries and establishments, to the extent that their employees are employed in a Member State of the European Union or the Agreement or the European Economic Area (“**Member State**”). Pursuant to the provisions of the German SE Employee Involvement Act, the number of members in the SNB for each of the individual Member States is determined by reference to the number of employees employed in a Member State (see also no. 11.3 below).
- 11.1.2 The aim of the negotiation procedure is to establish arrangements for the involvement of employees in NORMA Group SE. For the possible content of such arrangements, see no. 11.4.1 below.

Involvement of employees means any mechanism, including information, consultation and participation, through which employees’ representatives may exercise an influence on decisions to be taken within the Company.

Rights to involvement are rights to which the employees and their representatives are entitled in relation to information, consultation, participation and other kinds of involvement. This may include the exercise of such rights in group companies of the SE.

Information means the informing of the SE works council or other employees’ representatives by the management of the SE on questions which concern the SE itself and any of its subsidiaries or establishments situated in another Member State, or which exceed the powers of the competent bodies in a single Member State, in a manner and with a content that allows the employees’ representatives to undertake an in-depth assessment of the expected impact and, where appropriate, prepare consultations with the management of the SE.

Consultation means the establishment of dialogue and exchange of views between the SE works council or other employees’ representatives and the management of the SE or another competent level of management within the SE having its own powers of decision, in a manner and with a content that allows the SE works council, on the basis of information provided, to express an opinion on measures envisaged by the management of the SE which can be taken into account in the decision-making process within the SE.

Participation means the influence of employees in the affairs of a company by way of

- (i) the right to elect or appoint some of the members of the company's supervisory or administrative organ, or
 - (ii) the right to recommend or oppose the appointment of some or all of the members of the company's supervisory or administrative organ.
- 11.1.3 If an agreement regarding arrangements for the involvement of employees in NORMA Group SE has not been concluded within six months, the standard rules on employee involvement provided for by law will become applicable, as a rule. Since NORMA Group SE will have its registered office in Germany, the provisions of the German SE Employee Involvement Act will become applicable. The management board of NORMA Group AG and the SNB may mutually agree to extend the negotiation period to up to one year in total. The standard rules provide for the establishment of an SE works council and, in the case of an SE created by way of conversion, that, if rules on employee participation in the administrative or supervisory body applied to the company prior to conversion, such rules shall continue to apply to the SE. The agreement on the involvement of employees may also provide that the statutory standard rules apply in whole or in part. For details regarding the scope of the standard rules applying to NORMA Group SE, see no. 11.4.2 below.

11.2 Initiation of the negotiation procedure

The procedure for establishing rules on employee involvement shall be initiated in accordance with the provisions of the German SE Employee Involvement Act. Accordingly, as a first step the management of the company involved in the conversion – here: the management board of NORMA Group AG – is to inform the employees or their representatives of the envisaged conversion and request them to establish an SNB.

Pursuant to section 4 of the German SE Employee Involvement Act, the information to be provided to the employees' representatives or employees shall include (i) the identity and structure of the company involved in the conversion – here: NORMA Group AG – as well as the identity and structure of the subsidiaries and establishments concerned by the conversion and in what Member States such subsidiaries and establishments are situated, (ii) the employees' representatives existing in such subsidiaries and establishments, (iii) the number of the employees employed in each of these companies and establishments at the point in time the information is provided as well as the total number of employees employed in each of the Member States, as calculated based on the aforementioned number, and (iv) the number of employees who are entitled to rights of participation in the bodies of such companies at the point in time the information is provided.

The management board of NORMA Group AG has informed the employees' representatives or employees both in Germany and in the Member States in which NORMA Group employs employees (total number of employees employed in the Member States: 2576) of the envisaged conversion of NORMA Group AG into the legal form of an SE by way of letters dated 3 and 4 December 2012 and requested them to establish an SNB. Following the acquisition of the Dutch subsidiary Groen Bevestigingsmaterialen BV, the management board of NORMA Group AG, by way of its letter dated 21 January 2013, informed the employees' representatives or employees including the employees of the Dutch subsidiary thereof and of the envisaged conversion into the legal form of an SE and requested the employees of NORMA Group employed in the Netherlands to elect or appoint one SNB member.

11.3 Establishment and composition of the SNB

In the present case, section 5(1) of the German SE Employee Involvement Act is applicable to the establishment and composition of the SNB.

Members of the SNB are elected or appointed for each Member State to represent the employees of the Company and of its subsidiaries and establishments that employ employees in Member States. One person from a Member State is to be elected or appointed as a member of the SNB per portion of employees employed in that Member State that equals 10%, or a fraction thereof, of the number of employees employed by the Company and its subsidiaries or establishments in all the Member States taken together.

At the point in time of the information of the employees' representatives and employees dated 3 and 4 December 2012 referred to in no. 11.2 above, 2576 employees were employed in Member States (including Germany) in companies of NORMA Group. Based on these employee figures, the allocation of seats in the SNB is as follows:

Member State	Number of employees	Per cent	Number of SNB members
Germany	988	38.35	4
France	248	9.63	1
UK	163	6.33	1
Italy	62	2.41	1
Poland	568	22.05	3
Sweden	112	4.35	1
Spain	30	1.16	1
Czech Republic	405	15.72	2
Total	2576	100%	14

Following the acquisition of the Dutch subsidiary Groen Bevestigingsmaterialen BV, which employs less than ten employees in the Netherlands, another seat for the Netherlands has been added in addition to the aforementioned 14 seats. Apart from that, the acquisition of the Dutch subsidiary does not have any further impact on the allocation of seats in the SNB. The SNB thus consists of 15 members including the member for the Netherlands.

If, during the duration of the SNB's work, changes in the structure or the number of the employees of the NORMA Group employed in Member States occur that would change the specific composition of the SNB, the SNB shall be newly composed to account for such changes (section 5(4) of the German SE Employee Involvement Act).

11.4 Negotiation procedure and rules on employee involvement in NORMA Group SE

If all members of the SNB have been determined or ten weeks have passed since the information of the employees and the request to establish an SNB and not all members have been determined due to a fault on the employees' part, the management – here: the management board of NORMA Group AG – shall give notice of the constituent meeting of the SNB. The six-month negotiation period pursuant to section 20 of the German SE Employee Involvement Act, which can be extended to up to one year by mutual agreement

between the SNB and the management, starts on the scheduled date of such meeting as specified in the notice.

By letter dated 4 February 2013, the management board of NORMA Group AG gave notice of a first meeting of the SNB scheduled for 26/27 February 2013, with the constituent meeting scheduled for 26 February 2013. The constituent meeting was held on 26 February 2013. The negotiation period will thus end on 26 August 2013, subject to the period being extended by mutual agreement.

11.4.1 Agreement on arrangements for the involvement of employees

The aim of the negotiations is to conclude an agreement to the effect defined in section 21 of the German SE Employee Involvement Act.

Such agreement shall include in particular arrangements for the following points:

- scope of the agreement (including the companies and establishments situated outside the territories of the Member States, if they are to be included in the scope of the agreement);
- if an SE works council is to be established:
 - the composition, number of members and allocation of seats on the SE works council, including the consequences of material changes in the number of employees employed in the SE;
 - the functions and the procedures for the information and consultation of the SE works council;
 - the frequency of meetings of the SE works council;
 - the financial and material resources to be allocated to the SE works council
- if an SE works council is not to be established: arrangements for implementing the procedure or procedures for the information and consultation of the employees;
- if arrangements for participation are established:
 - the number of members in the SE's supervisory organ which the employees will be entitled to elect, appoint, recommend or oppose;
 - the procedures as to how these members may be elected, appointed, recommended or opposed by the employees;
 - and the rights of such members;
- the date of entry into force of the agreement and its duration;
- cases where the agreement should be renegotiated and the procedure for its renegotiation.

Apart from the foregoing, the agreement may contain additional provisions.

11.4.2 Standard rules on employee involvement

If an agreement pursuant to section 21 of the German SE Employee Involvement Act is not concluded within the statutory negotiation period of six months or the ne-

gociation period extended by mutual agreement to one year, the standard rules on the establishment of an SE works council by operation of law pursuant to sections 22 et seqq. of the German SE Employee Involvement Act and on participation by operation of law pursuant to sections 34 et seqq. of the German SE Employee Involvement Act will apply. In the event the standard rules become applicable, the following employee involvement rules would apply to NORMA Group SE:

(i) Regarding employee participation

In the management board's opinion, NORMA Group AG is not subject to any participation at board level based on the current legal and factual situation. Accordingly, the employees of NORMA Group AG do not have any rights to elect or appoint a part of the members of the administrative or supervisory organ of the Company or to recommend or oppose the appointment of a part or all of the members of the administrative or supervisory organ of the Company prior to the conversion of NORMA Group AG into an European Company. As a consequence, the employees would not obtain any rights to elect or appoint members of the supervisory board of NORMA Group SE or to recommend or oppose their appointment following the conversion of NORMA Group AG into a European Company. This means that no changes would result in this respect compared to the appointment of members of NORMA Group AG's supervisory board.

(ii) Regarding the information and consultation of the employees

If the standard rules applied, the rules on information and consultation would be in accordance with sections 22 et seqq. of the German SE Employee Involvement Act. Pursuant to these provisions, an SE works council would have to be established. The SE works council's responsibility would be to ensure the information and consultation of the employees in NORMA Group SE. It would be responsible for all questions that concern the SE itself or any of its subsidiaries or establishments situated in another Member State, or which exceed the powers of the competent bodies in a single Member State. The SE works council would have to be informed and consulted once a year on the progress of the business of the SE and its prospects. In addition, it would have to be informed and consulted on exceptional circumstances. The SE works council, in turn, would have to inform the representatives of the employees or – where there are no employees' representatives – the employees of the SE and its subsidiaries and establishments of the content and outcome of the information and consultation procedures.

The costs incurred in connection with the establishment and work of the SE works council would have to be borne by NORMA Group SE.

The rules on the composition of the SE works council and the appointment of its members would be generally in accordance with the rules on the appointment of the SNB members, i.e. it would have to consist of representatives of the employees from the Member States in which NORMA Group employs employees, with the allocation of seats to be determined based on the number of employees in each Member State. If the SE works council would be established pursuant to section 22(1) no. 2 of the German SE

Employee Involvement Act because no agreement has been reached by the end of the negotiation period, the relevant date for determining the number of employees employed would be the end of the negotiation period, see section 23(1) sentence 4 of the German SE Employee Involvement Act. The procedure for appointing an individual member would be governed by the law of the Member State for which such member is to be appointed. In Germany, the relevant provisions of the German SE Employee Involvement Act would apply.

If the statutory standard rules applied, the management of the SE – here: the management board of NORMA Group SE – would have to review every two years during the existence of the SE whether changes in the SE, its subsidiaries and establishments, in particular in the employee figures, require a change in the composition of the SE works council. Four years after its establishment, the SE works council would have to resolve by a majority vote whether it should enter into negotiations regarding arrangements for the involvement of employees in the SE or whether the arrangements existing so far should continue to apply. If the SE works council resolves to enter into negotiations, the SE works council will replace the SNB for the purposes of such negotiations.

The SE works council would replace the European works council established at NORMA Group. The national bodies of employee representation, however, would remain unaffected by the establishment of an SE works council.

11.4.3 Costs for the negotiation procedure and the establishment of the SNB

The costs that have been and will be incurred in connection with the establishment and work of the SNB will be borne by NORMA Group AG or, after the conversion has become effective, by NORMA Group SE. The costs to be borne include the material and personal costs incurred in connection with the work of the SNB including the negotiations, in particular costs for rooms and material resources (e.g. telephone, fax, literature), interpreters and office staff in connection with the negotiations and the necessary travel and accommodation expenses for the members of the SNB.

12 Other effects of the conversion on the employees and their representatives

In addition, the conversion has the following effects on the employees and their representatives:

- 12.1 The rights and duties of NORMA Group's employees under their existing work and employment contracts shall continue to exist unchanged. This applies also in relation to the Company itself; section 613a of the German Civil Code (*Bürgerliches Gesetzbuch – BGB*) does not apply to the conversion because a transfer of undertaking (*Betriebsübergang*) will not occur due to the identity of the legal entities.
- 12.2 The shop agreements, collective bargaining agreements and other collective employment arrangements applicable to employees of NORMA Group shall continue to exist unchanged as provided for in such agreements.

- 12.3** The existing employee representation in the companies and establishments of NORMA Group shall not be affected by any changes resulting from the conversion. The existing bodies of employee representation shall be maintained. Only the European works council established at the European level shall not be maintained pursuant to section 47(1) Nr. 2 of the German SE Employee Involvement Act and be replaced by the SE works council (see also no. 11.4 above).
- 12.4** Apart from the foregoing, there is no action envisaged or planned in connection with the conversion that would have any impact on the situation of the employees.

13 Auditor

PricewaterhouseCoopers Aktiengesellschaft Wirtschaftsprüfungsgesellschaft, Frankfurt am Main, shall be appointed as auditor and group auditor for the first financial year of NORMA Group SE.

Ms. Schulte has been appointed as a member of the supervisory board of NORMA Group AG by court order for an office term until the general meeting on 22 May 2013; under agenda item 5 of this invitation to the annual general meeting of NORMA Group AG, her re-appointment to the supervisory board of NORMA Group AG is proposed. She does neither hold any memberships in other supervisory boards whose establishment is required by law, nor any memberships in domestic or foreign supervising corporate bodies of business enterprises that are comparable to a supervisory board.

With regard to the recommendation of section 5.4.1, subsections 4 to 6, of the German Corporate Governance Code, it is declared that none of the aforementioned candidates, in the appraisal of the supervisory board, has any personal or business relations with NORMA Group AG or its group companies, the corporate bodies of NORMA Group AG or a shareholder holding a material interest in NORMA Group AG, that would be subject to disclosure requirements pursuant to this recommendation.

II. Conditions for attendance and further information pursuant to section 121(3) sentence 3 of the German Stock Corporation Act (*Aktiengesetz*)

Conditions for attending the Annual General Meeting and exercising voting rights

Those shareholders who are listed in the Company's share register at the time of the Annual General Meeting and who have registered with the Company in such a way that their notification in text form (section 126b of the German Civil Code – *Bürgerliches Gesetzbuch*) in the German or English language is received by the Company in due time, shall be entitled to attend the Annual General Meeting and to exercise their voting rights.

The registration has to be received by the Company at least six days before the Annual General Meeting, i.e. by 15 May 2013 (midnight), at the following address:

NORMA Group AG

c/o Computershare Operations Center

80249 München

Telefax: +49 89 30903 74675

E-Mail: anmeldestelle@computershare.de

Stop of changes in the share register

The stock of shares registered in the Company's share register on the day of the Annual General Meeting is decisive for the entitlement of the shareholder to attend the Annual General Meeting and to exercise voting rights. Please note that no changes can be made to entries in the Company's share register from 16 May 2013 (midnight) (so-called technical record date) until the day of the Annual General Meeting (inclusive) due to technical reasons in the execution of such changes. As a result, acquirers of shares whose applications for changes of registration are received after the aforementioned date will, in practice, not be able to exercise the voting rights and the right to attend the Annual General Meeting attached to these shares in their own name. In such cases, the shareholder still listed in the share register as owner of the respective shares will remain entitled to attend the Annual General Meeting and to exercise the voting rights attached to the shares until the change of ownership has been registered in the share register. All acquirers of shares in the Company who have not yet been registered with the share register are therefore requested to apply for a change of registration as soon as possible.

Procedure for exercise of voting rights by absentee votes

Shareholders or shareholders' representatives not attending the Annual General Meeting may exercise their voting rights by means of absentee voting.

Regarding the entitlement to submit absentee votes, the requirements described above under "Conditions for attending the Annual General Meeting and exercising voting rights" apply accordingly.

Votes cast by means of absentee voting must be received by the Company by 17 May 2013 (midnight) in writing, via fax or via email at the following address:

NORMA Group AG

c/o Computershare Operations Center

80249 München

Telefax: +49 89 30903 74675

E-Mail: normagroup-hv2013@computershare.de

A form that can be used for submission of an absentee vote will be distributed to the shareholders together with the registration package and the admission ticket for the Annual General Meeting. An absentee voting form is also available for download on the Company's webpage www.normagroup.com under the link "Investor Relations" and the further link "AGM".

Absentee votes may be revoked (or altered) until the point in time to which they can be submitted. Furthermore, the personal attendance of the Annual General Meeting by the shareholder or by a proxy authorised to exercise the shareholder's voting rights will be classified as revocation of the votes cast by means of absentee voting.

Procedure for exercising voting rights by proxies

Shareholders may have their voting rights exercised by a proxy, e.g. a financial institution, a shareholder association, proxies appointed by the Company or other third persons.

As a general rule, text form (§ 126b of the German Civil Code – *Bürgerliches Gesetzbuch*) is required for granting a power of attorney, revoking it and evidencing it to the Company.

Exceptions from the requirement of text form may apply to powers of attorney granted to financial institutions, shareholder associations or persons or institutions considered their equivalent pursuant to sections 135(8), 135(10), 125(5) of the German Stock Corporation Act (*Aktiengesetz*). Therefore, we kindly ask our shareholders to coordinate as to the required form of the power of attorney with the relevant credit institution, shareholder association or persons considered their equivalent pursuant to sections 135(8), 135(10), 125(5) of the German Stock Corporation Act (*Aktiengesetz*). Special evidence of the power of attorney vis-à-vis the Company is not required in this case.

Procedure for exercising voting rights by proxies appointed by the Company

The Company offers its shareholders the opportunity to grant power of attorney for exercising voting rights to proxies appointed by the Company. To the extent proxies appointed by the Company are granted a respective power of attorney, they must in any case be instructed on how to exercise the voting rights. The proxies are obliged to vote in accordance with these instructions. If no instruction has been given for a voting, the proxy will abstain from the voting. We kindly ask our shareholders to note that the proxies appointed by the Company will not accept powers of attorney and mandates to exercise a shareholder's right to speak and request information during the Annual General Meeting or to file motions or submit objections against shareholders' resolutions. Granting a power of attorney to a proxy appointed by the Company, revoking such power of attorney and evidence of such power of attorney must be in text form (section 126b of the German Commercial Code – *Bürgerliches Gesetzbuch*). Please note that powers of attorney for proxies appointed by the Company must be received by the Company at the below-mentioned address by 17 May 2013 (midnight); the proxies appointed by the Company will not exercise

voting rights based on powers of attorney which are received by the Company after that date.

Further information on the procedure for exercising voting rights by proxies appointed by the Company or other proxies

A form that can be used to grant power of attorney will be distributed to the shareholders together with the registration package and the admission ticket for the Annual General Meeting. A form for granting power of attorney is also available for download on the Company's webpage www.normagroup.com under the link "Investor Relations" and the further link "AGM".

Powers of attorney, revocation of a power of attorney and evidence of a power of attorney may be submitted to the Company at the following address:

NORMA Group AG

c/o Computershare Operations Center

80249 München

Telefax: +49 89 30903 74675

The submission can also be made electronically at the following email address:

normagroup-hv2013@computershare.de

We kindly ask our shareholders to note that a proper registration is also required in case a proxy is authorised to exercise voting rights.

Furthermore, we ask our shareholders to note that, in case a shareholder grants power of attorney to more than one proxy, the Company is entitled to reject one or more of them.

III. Shareholder Rights

Requests to supplement the agenda at the demand of a minority pursuant to section 122(2) of the German Stock Corporation Act (*Aktiengesetz*)

Such counter-motions, including the name of the shareholder who submitted the counter-motion, the statement of reasons he submitted for the counter-motion and, if applicable, a statement of the Company's administration, will be available on the Company's webpage www.normagroup.com under the link "Investor Relations" and the further link "AGM", provided the valid counter-motion, accompanied by a statement of reasons, is sent to the Company at least 14 days before the Annual General Meeting, i.e. by 7 May 2013 (midnight), at the following address:

The above-described rules apply accordingly to shareholder proposals for the election of members of the supervisory board and the appointment of the auditor, whereas no statement of reason needs to be submitted for such election proposals. However, we kindly ask our shareholders to note that the management board of the Company is not obliged to make available election proposals that do not contain the information set forth in sections 124(3) sentence 4, 125(1) sentence 5 of the German Stock Corporation Act (*Aktiengesetz*) as regards the proposed candidates. Furthermore, there is no obligation to make available proposals for the appointment of an auditor that do not contain the information set forth in section 124(3) sentence 4 of the German Stock Corporation Act (*Aktiengesetz*).

Entitlement to information

Pursuant to section 131(1) of the German Stock Corporation Act (*Aktiengesetz*), during the Annual General Meeting each shareholder may request from the management board information regarding the Company's affairs, the legal and business relationships of the Company with an affiliated company as well as regarding the situation of the group and the companies included in its consolidated financial statements to the extent such information is necessary to form a considered opinion on one or more of the agenda items.

Please note that the management board may refuse to provide information subject to the conditions listed in section 131(3) of the German Stock Corporation Act (*Aktiengesetz*).

To facilitate a proper response to information requests, we would kindly ask those shareholders and shareholder representatives who wish to make use of the right to request information during the Annual General Meeting to submit their questions beforehand at the following address:
